System Capacity: There is systematic attention to changes in service utilization over time

The tables below show the proportion of MaineCare members who have open authorizations in the APS system for services for the following community MH services. The denominator is the number of children age 0 -20 with MaineCare at any point in the quarter ending one quarter before. It is updated every quarter.

Source: Office of MaineCare Included finance groups Finance Group Code = 1, 2, 3, 4, 5, 6, 7. Excludes Del ME/Rx. The total is anyone with MaineCare eligibility at any time in the quarter. The district totals are based on the member's county of residence. If a member's resident county is unknown, they are included in the total but not in any district.
